COUNCIL COMMUNICATION

AGENDA TITLE: Set a Public Hearing for February 21, 2001, to Consider a Resolution Establishing an Area of Benefit and Reimbursable Costs for Tienda Drive Improvements Fronting the Parcels Located at 2223 and 2241 West Kettleman Lane (APN 027-040-17 and APN 027-040-79, respectively)

MEETING DATE: January 17, 2001

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council set a Public Hearing for February 21, 2001, to consider a resolution establishing an area of benefit and reimbursable costs for Tienda Drive improvements fronting the parcels located at 2223 and 2241 West Kettleman Lane (APN 027-040-17 and APN 027-040-79, respectively).

BACKGROUND INFORMATION: A Tentative Map for Sunwest XIV, Unit No. 1, a single-family residential project, was approved by the Planning Commission on February 10, 1997. As a condition of approval, the developer was required to construct improvements at City expense on the north side of Tienda Drive along the City-owned property west of the development (Roget Park site), in conjunction with the Sunwest XIV, Unit No. 1 development. Although the City had acquired a portion of the necessary right-of-way on the south side of Tienda Drive in conjunction with the agreement approved by the City Council on June 20, 1996, for the acquisition of the westerly portion of the Roget Park site (APN 027-040-78), negotiations for acquisition of right-of-way with the owner of the adjacent parcel to the east (APN 027-040-17), Church of Nazarene, had been unsuccessful. Since all the necessary right-of-way had not been secured, installation of street improvements on the south side of Tienda Drive was not required as a condition of development at that time. The Improvement Agreement for the Sunwest XIV, Unit No. 1, was approved by the Council on October 21, 1998. The location of the above-referenced parcels in relation to the subject Tienda Drive improvements is shown in Exhibit A.

In an ongoing effort to accomplish construction of the full street improvements on Tienda Drive with the Sunwest XIV development and at the request of the Church of Nazarene, the City reopened negotiations to acquire the right-of-way along the south side of Tienda Drive in exchange for street frontage improvements. An agreement with First Church of Nazarene was subsequently approved by the City Council on August 5, 1998, and recorded in the San Joaquin County Records Office on August 20, 1998 as Instrument No. 98097296. The agreement stipulates that, in exchange for the right-of-way dedication, the City will construct the street frontage improvements on the south side of Tienda Drive (curb, gutter, sidewalk, street paving, etc.) at City expense and a reimbursement will be prepared requiring the Church or their successors to pay their fair share of the utility construction costs at the time of connection to the utilities.

An addendum to the Improvement Agreement for the Sunwest XIV project covering construction of street improvements on the south side of Tienda Drive was approved by the City Council on June 25, 1999. Pursuant to the addendum to the Improvement Agreement, the developer of the Sunwest XIV, Unit 1 development constructed the improvements for Tienda Drive west of the development. The development

APPROVED:

H. Dixon Flynn -- City Manager

Set a Public Hearing for February 21, 2001, to Consider a Resolution Establishing an Area of Benefit and Reimbursable Costs for Tienda Drive Improvements Fronting the Parcels Located at 2223 and 2241 West Kettleman Lane (APN 027-040-17 and APN 027-040-79, respectively)

improvements, including Tienda Drive improvements, were accepted by the City Council on January 19, 2000 by Resolution No. 2000-05. Per the terms of the addendum, the developer was reimbursed by the City for the costs of improvements on Tienda Drive west of the development.

In conformance with Lodi Municipal Code (LMC) Section 16.40, staff recommends that Council set a public hearing to establish an area of benefit and reimbursable costs to recover the cost of street improvements on the south side of Tienda Drive fronting the parcels owned by First Church of Nazarene (APN 027-040-17) and Ronald C. Dunscombe et al. (APN 027-040-79) which benefit from those improvements. The reimbursable costs for each property are shown on Exhibit B. Pursuant to LMC Section 16.40.50.A.3, the reimbursable amounts shown in Exhibit B include an amount attributable to interest for the year 2000 based on the change in the Engineering News Record 20 Cities Construction Cost Index from January 2000 to January 2001. Similar adjustments to the reimbursable costs will be made each January until payment is received.
